## PROFILE

Hi, I'm Aakash Pandey, Project Success Manager at Swifty Web Agency and a passionate front-end developer and designer. I specialize in building dynamic, responsive, and visually appealing websites using HTML, CSS, JavaScript, PHP, and WordPress. From wireframes in Adobe XD to clean, maintainable code, I combine creativity with technical precision. Skilled in frameworks like Bootstrap and animations with GSAP, I craft seamless digital experiences.

### What I Bring to the Table:

- Proficiency in HTML, CSS, JavaScript, and PHP
- Expertise in WordPress (Oxygen, Bricks, Elementor, Divi, WPBakery)
- Strong foundation in responsive design with Bootstrap
- Creative animations with GSAP, Motion.page, BricksForge
